University of Toronto
Biochemistry Program
Job Posting – Teaching Assistant Position
Winter Term 2020 (January - April)

Posted on: October 30, 2019

The Department of Biochemistry seeks 1 Teaching Assistant (Marker) for the following course:

**BCH 445H: Organelles in Cell Function and Death**
Dr. Angus McQuibban, Course Coordinator

**Qualifications**
Ability to understand and interpret students answers to midterms and exams involving advanced cell biology and experimental techniques. Running a class discussion around a published paper in cell biology

**Duties**
Marking of midterm, final exam, and leading a paper discussion in class

*Duties of this position shall be performed at the campus on which the position is located. Where the duties are intended to be performed at another location, such other location will be specified in the posting.*

**Hours of work: approx. 23 hours**

**Estimated Course Enrolment:** capped at 24 students

**Rate of Pay:** SGS I/II - $46.24/hour (+4% vacation pay)

Final availability of the position(s) is contingent upon enrolment, budgetary consideration and the determination of appointments as governed by the collective agreement.

**Application Process** Applications and instructions are available on the Departmental website (http://biochemistry.utoronto.ca/about/hiring). Applicants should submit an application with a cover letter, CV and any relevant references (if applicable) by **November 20, 2019**. Completed applications should be sent to:

Carrie Harber,
Department of Biochemistry,
Room 5207,
Medical Sciences Building, University of Toronto

If during the application and/or selection process you require accommodation due to a disability, please contact carrie.harber@utoronto.ca.

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from racialized persons / persons of colour, women, Indigenous / Aboriginal People of North America, persons with disabilities, LGBTQ persons, and others who may contribute to the further diversification of ideas.

This job is posted in accordance with the CUPE 3902 Unit 1 Collective Agreement. The Departmental Hiring Policy is available in the Department office and in the CUPE Local 3902 office.

**Note:** Although a graduate student’s preference as to the campus location of his/her TA appointment will be taken into account, both the initial TA appointment (or CI appointment) and the subsequent appointment obligation related to that appointment may be met through position(s) on any one of the three University of Toronto campuses (UTM, UTSC or St. George) in courses in the same discipline as the initial appointment. TAs will only be assigned to courses in fields in which they are or should be qualified to assist.
