The Department of biochemistry seeks 5 Lead TA Marker teaching assistantship (TA) for the following course:

BCH210H1-F – Biochemistry I: Proteins, Lipids and Metabolism
An introductory course covering the key biomolecules in the cell.

Qualifications
Candidates should be detail oriented and able to maintain the academic integrity and confidentiality of the assignments they are grading. Content knowledge and the ability to follow a rubric are essential. First consideration will be given to full-time graduate students at the University of Toronto.

Duties
- Work with the course instructor to develop a comprehensive marking rubric.
- Marking of 150 submitted assignments (Date to be determine – May 5 – June 25, 2020)
- Work with another marking TA to ensure adherence to the marking rubric and maintain clear communication regarding any deviation or exceptions.
- Provide sufficient feedback regarding grade breakdown and tabulate all grades on each assignment.
- Maintain confidentiality and security of all materials online.

Duties of this position shall be performed at the campus on which the position is located. Where the duties are intended to be performed at another location, such other location will be specified in the posting.

Hours of work: approx. 18 hours per TA
Estimated Course Enrolment: 450 students

Rate of Pay: SGS I/II - $46.24/hour (+4% vacation pay) / Assistant Invigilator: $30.47

Final availability of the position(s) is contingent upon enrolment, budgetary consideration and the determination of appointments as governed by the collective agreement.
