The Biochemistry Program seeks up to 1 Teaching Assistants for the following course:

**BCH 450H: Antibiotics and Antibiotic Targets**

**Course description:**
The goal of this course is to introduce the concept of a drug and drug target using antibiotics as case studies. We will introduce many of the key antibiotics used in the clinic as well as important concepts in drug discovery and antibiotic resistance. The goal is for students to acquire a sophisticated understanding of antibacterial therapy as well as overarching concepts of chemical biology that are, in many cases, applicable to drug discovery in other fields.

**Qualifications**
Ability, academic qualifications, suitability for the position and familiarity with course material.

**Duties**
Assistance assembling the text for the 5 quizzes, grading the quizzes and some small-group work with the students.

*Duties of this position shall be performed at the campus on which the position is located. Where the duties are intended to be performed at another location, such other location will be specified in the posting.*

**Hours of work:** approx. 35 hrs

**Estimated Course Enrolment:** max. 40 students

**Start Date of Appointment:** __January 11, 2021__  
**End Date of Appointment:** __April 30, 2021__

**Rate of Pay:** SGS I/II - $46.24/hour (+4% vacation pay)

Final availability of the position(s) is contingent upon enrolment, budgetary consideration and the determination of appointments as governed by the collective agreement.

**Application Process**  Applications should be submitted online. Please consult Departmental Website for application link and instructions: [http://biochemistry.utoronto.ca/about/hiring](http://biochemistry.utoronto.ca/about/hiring).

**Application Deadline** __December 18, 2020__

If during the application and/or selection process you require accommodation due to a disability, please contact carrie.harber@utoronto.ca.

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from racialized persons / persons of colour, women, Indigenous / Aboriginal People of North America, persons with disabilities, LGBTQ persons, and others who may contribute to the further diversification of ideas.

This job is posted in accordance with the CUPE 3902 Unit 1 Collective Agreement. The Departmental Hiring Policy is available in the Department office and in the CUPE Local 3902 office.
