

**University of Toronto**  
**BIOCHEMISTRY PROGRAM**  
**Job Posting – Tutorial Leader Teaching Assistant Position**  
**Fall 2026 (September - December)**

Posted on: June 26, 2026

The Biochemistry Program seeks up to 1 Teaching Assistants (Tutorial Leader) for the following course:

**BCH210H1F: Biochemistry I: Proteins, Lipids and Metabolism**

**Course Description**

An introductory course covering the key biomolecules in the cell.

**Minimum Qualifications**

Undergraduate degree in a life-science program and completion of a course(s) in biochemistry.

**Preferred Qualifications**

Candidates should have a strong understanding of the fundamentals of biochemistry - protein structure and function, purification and structure/function techniques, enzyme kinetics, regulation and mechanisms, structure of lipids and carbohydrates, basic thermodynamics and carbohydrate and lipid metabolism. Time management and presentation skills are essential for the delivery of the in-person tutorials in this course. Prior knowledge of Quercus, the Canvas-based LMS would be helpful.

**Relevant Criterion**

Previous experience is the more relevant criterion than the need to acquire experience in respect of this posted position

**Duties**

- Review of course content in preparation for tutorials.
- Delivery of one weekly, in-person, 2-hour tutorial on Fridays from 11-1pm, including content review, problem-solving and answering questions.
- Answering student emails regarding course content.
- Maintaining clear communication with students and other teaching team members.
- Maintain confidentiality of any discussions with students.
- Invigilating the midterm and final exam.

*Duties of this position shall be performed at the campus on which the position is located.*

**Hours of work:** 70 hours plus any necessary training

**Estimated Course Enrolment:** 1500 (200-350/TA)

**Rate of Pay:** UG/SGS I/II - \$53.92/hour (+ 4% vacation pay)

**Start Date of Appointment:** August 24, 2026

**End Date of Appointment:** December 22, 2026

**Application Process:** A general Application should be submitted online by **Wednesday July 22, 2026 at 4:30 pm**. Please consult Departmental Website for application instructions: <https://live-w2-biochemistry.pantheonsite.io/job-postings#teachingassistants>

The University strives to be an equitable and inclusive community, and proactively seeks to increase diversity among its community members.
